

WORLD'S FIRST UKRAINIAN-ENGLISH & ENGLISH-UKRAINIAN POCKET TRANSLATOR!

250 000 words & expressions

- ◆ Compu-Dict pocket electronic dictionary instantly translates from Ukrainian to English and English to Ukrainian
- ◆ Much faster than looking up words in a regular dictionary: 2 to 3 seconds vs. 2 to 3 minutes. Thus the Compu-Dict can make reading Ukrainian text a virtually non-stop process. Think of how much time it will save you if you have to translate a few pages or even a few words from English to Ukrainian or vice versa.
- ◆ Let's say a given English word has a number of meanings in Ukrainian. A new problem arises: how do you know which meaning to choose in this particular case? Compu-Dict solves that problem! It can give you all the synonyms in English of each Ukrainian meaning. This way you always know which word is the correct one in each particular circumstance!
- ◆ Great for North-American-born Ukrainians learning Ukrainian language, schools, organizations etc.
- ◆ An optional sound feature allows the dictionary to pronounce as many times as needed all the words and phrases in English and allows the newcomers to learn the proper pronunciation.
- ◆ A sophisticated spell-checker allows you to put words in English the way they sound - regardless of the spelling. The Compu-Dict corrects your spelling and gives you all the meanings in Ukrainian.
- ◆ Compu-Dict will also help you enrich your Ukrainian vocabulary with many new words and phrases. You can not only find many Ukrainian synonyms of English words but also know when to use each of them correctly.
- ◆ Compu-Dict is also available for 12 other languages including Polish, Czech, Russian, and others under development.
- ◆ Compu-Dict won a Gold Medal for the most unique product of the year 1995 at one of the largest electronic shows in Europe.
- ◆ Already used in hundreds of schools, government agencies and embassies around the world.
- ◆ Makes a great gift for someone in North America or for your friends or relatives in Ukraine or elsewhere.

- ◆ Indispensable for newcomers learning English
- ◆ Very useful for children as well since in this day and age they are more likely to use a pocket computer to learn the language than a book.
- ◆ Very easy to use. Both English language and Ukrainian language manuals come with the unit. Extremely reliable state-of-the-art product with full 1 year warranty.
- ◆ Regular price of Compu-Dict is US\$249 and CAN\$328.50. It can now be purchased directly from the product developer for only US\$229.00 and CAN\$298.00
- ◆ Discounts available on orders of 2 or more units. Organizations ordering quantities of 10 or more units receive special volume discounts. All prices include shipping, handling. Canadian orders (shipped out of our Toronto office) are subject to GST. American orders (shipped from our office in Virginia) are exempt from all taxes.
- ◆ Technical, Business, Computer Science and Medical terms (100 000 words each) can also be added by inserting tiny cartridges with that specific dictionary at the back of the machine. Cost of each one is US\$49.95 & CAN\$69.00. Other cartridges under development
