

Swissair's long hauls don't stop short of perfection.

Swissair currently serves 111 destinations in 70 countries all over the world. The list is steadily growing. To a great extent, it's because more and more people are becoming more and more demanding. With our fast connections, our courteous, multilingual personnel, luxurious cabin appointments and exquisite cuisine, we've won their loyalty, not to mention numerous awards. So if you're planning a trip to Europe, the Middle East, the Far East or Africa, why settle for anything less than perfection?
